

Abhishek Singh

abhisheksinghmailid@gmail.com | +91 936XXXXXXX | Noida | [Github](#) | [Linkedin](#) | [Portfolio](#)

SUMMARY

Detail-oriented Computer Science graduate with a strong foundation in data analysis, Python, and SQL. Experienced in data management, data cleaning, and ensuring data accuracy for analytics. Skilled in building interactive dashboards and leveraging AI tools to automate workflows and support data-driven decision-making.

EDUCATION

B.Tech, Computer Science and Engineering

Galgotias University, Greater Noida

Sep 2021 - Jun 2025

Intermediate, PCM

New Standard Public School, Raebareli

Arp 2019 – Mar 2020

SKILLS

Programming	Python, Data Structures & Algorithms
Data Analysis & Manipulation	Pandas, NumPy, Statistics
Data Visualization	Power BI, Matplotlib, Seaborn
Databases	MySQL, SQL (Relational Databases)
Tools	Excel, Google Sheets, Jupyter Notebook
Developer Tools	Git, Linux, Docker, AWS (EC2, S3, IAM)
Soft Skills	Technical Storytelling, Rapid Technical Adaptation

PROJECTS

InventorySync – Warehouse Efficiency [Github](#)

- Built a warehouse dashboard to analyze inventory trends, helping identify demand patterns and reduce stock inefficiencies.
- Built a machine learning model to predict product demand and improve inventory efficiency.
- Tools: Python, Pandas, Machine Learning, Streamlit

Sales Performance Analytics Dashboard [Github](#)

- Created a Power BI dashboard tracking revenue and regional performance, enabling faster business insights through dynamic KPIs.
- Enabled data-driven decision-making through dynamic KPIs, filters, and clear visualizations.
- Tools: Power BI, SQL, Excel

Experience

Data Operations Analyst | NielsenIQ

- Performed data validation and quality checks on structured datasets to ensure accurate and timely client deliverables.
- Investigated data discrepancies using Excel, SQL, and internal tools while supporting root cause analysis and issue resolution.
- Collaborated with cross-functional teams to maintain data quality, follow SOPs, and support operational reporting requirements.
- Contributed to process improvement initiatives by identifying data gaps, improving validation workflows, and ensuring SLA compliance.

CERTIFICATIONS

1. Introduction to Artificial Intelligence (AI) ~ IBM

Mar 2024
